

LOOKING FOR A CEDAR NETWORK PROVIDER?

Finding one online is fast and easy!

Our online tool allows you to conveniently search for doctors, labs, and other providers who are part of our Cedar Network.

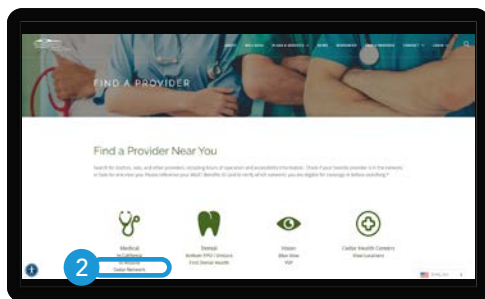

Follow these easy steps to find a participating Cedar provider:

Go to www.wg-health.com

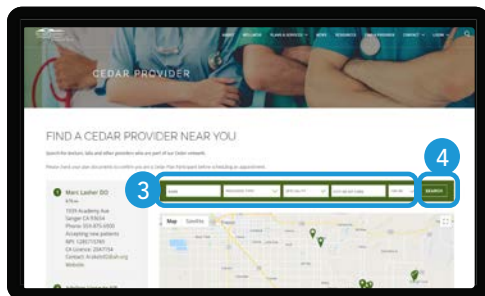

From the top right navigation

1 Click on **Find a Provider**

Scroll down to search Cedar Network

2 Click **Cedar Network** link

3 You may choose from the following search options:

- **Name:** Enter a provider's name searching for a specific provider.
- **Specialty:** If you're looking for a specific type of provider, you can select from a list of specialties.
- **City or Zip Code**
- **Radius:** You can specify how far you're willing to travel.

4 Click **Search**

Review the Search results
