

NEED TO ACCESS HEALTH CARE OUTSIDE ARIZONA OR CALIFORNIA?

As plan participants of Western Growers Health, you and your covered dependents can access healthcare services outside of California or Arizona through the First Health® network. Using a First Health contracted provider for any necessary non-emergency care can help mitigate out-of-network claims and potentially higher out-of-pocket costs.

First Health providers can check your Western Growers Health eligibility and benefits by calling customer service at (800) 777-7898.
